

(5) The institution will, if granted the waiver, substantially increase the higher education opportunities for Hispanic Americans.

(c) For the purpose of paragraph (b) of this section, the Secretary considers “low-income” to be an amount which does not exceed 150 percent of the amount equal to the poverty level as established by the United States Bureau of the Census.

(d) Each year, the Secretary notifies prospective applicants of the low-income figures through a notice published in the FEDERAL REGISTER.

§ 606.4 What are low educational and general expenditures?

(a)(1) Except as provided in paragraph (b) of this section, for the purpose of § 606.2(a)(2), an applicant institution’s average educational and general expenditures per full-time equivalent undergraduate student in the base year must be less than the average educational and general expenditures per full-time equivalent undergraduate student in that year of comparable institutions that offer similar instruction.

(2) For the purpose of paragraph (a)(1) of this section, the Secretary determines the average educational and general expenditure per full-time equivalent undergraduate student for institutions with graduate students that do not differentiate between graduate and undergraduate educational and general expenditures by discounting the graduate enrollment using a factor of 2.5 times the number of graduate students.

(b) Each year, the Secretary notifies prospective applicants through a notice in the FEDERAL REGISTER of the average educational and general expenditures per full-time equivalent undergraduate student at comparable institutions that offer similar instruction.

(c) The Secretary may waive the requirement contained in paragraph (a) of this section, if the Secretary determines, based upon persuasive evidence provided by the institution, that—

(1) The institution’s failure to satisfy the criteria in paragraph (a) of this section was due to factors which, if used in determining compliance with those

criteria, distorted that determination; and

(2) The institution’s designation as an eligible institution under this part is otherwise consistent with the purposes of this part.

(d) For the purpose of paragraph (c)(1) of this section, the Secretary considers that the following factors may distort an institution’s educational and general expenditures per full-time equivalent undergraduate student—

(1) Low student enrollment;

(2) Location of the institution in an unusually high cost-of-living area;

(3) High energy costs;

(4) An increase in State funding that was part of a desegregation plan for higher education; or

(5) Operation of high cost professional schools such as medical or dental schools.

§ 606.5 How does an institution apply to be designated an eligible institution?

(a) An institution applies to the Secretary to be designated an eligible institution under this part by first submitting an application to the Secretary in the form, manner, and time established by the Secretary. The application must contain—

(1) The information necessary for the Secretary to determine whether the institution satisfies the requirements of §§ 606.2, 606.3(a), and 606.4(a);

(2) Any waiver request under §§ 606.3(b) and 606.4(c); and

(3) Information or explanations justifying any requested waiver.

(b) An institution that wishes to receive a grant under this part must submit, as part of its application for that grant, an assurance that when it submits its application—

(1) Its enrollment of undergraduate full-time equivalent students is at least 25 percent Hispanic students; and

(2) Not less than 50 percent of its Hispanic students are low-income individuals.
